RE: Kalamazoo River Superfund Site

Dear Eileen:

Enclosed please find the documents we discussed yesterday regarding the former dams on the Kalamazoo River, known as the Plainwell, Otsego and Trowbridge Dams. I believe these documents, obtained from the state files, provide relevant insight on the past history and operation of these dams. I request that these documents, along with this letter be included in the administrative record for this site. I am also enclosing, to be included in the administrative record, the public survey conducted by Dr. Atkins, which I previously forwarded to you by email. If you have any questions regarding any of these documents, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Michael Davis', written over a horizontal line.
